President's Message

Rick, April and Alec

Fellow Photographers,

As I look back, this past year has gone by very fast. We've had education, we've had fun, and we have great friendships. A Big thanks to Donella for a great winter seminar and Denny for a neat summer seminar at Camp P.P.N. The Heart of America was a big success in Kansas City this year. I was excited to be invited to MAIPP's this year, what a great educational opportunity and a fun time.

Just remember we are in an electronic society, and its here to stay. In our life time we've gone from brown-tones to black & white, natural color to electronic previews with the Kodak Prism System, now digital capturing images with Kodak's new Professional Digital Camera System and a Nikon F3 Camera so what's next???

You have a good hard working board of directors for the PPN and I am sure that with all the changes in our business and industry that through the PPN and other association like ours you will learn a great deal.

I would like to thank everyone for your support the past several years and I will always be there to support the PP of N in return. I've had a super time. - Thanks!

.....

There's only one way to own a prestigious Kodak Gallery Award: Win it. Submit photography that tells judges you're the best—in one of four categories: (1) wedding, (2) portrait, (3) commercial/industrial, or (4) unclassified. — Entries must be on Kodak film, and prints on Kodak paper. If you're a winner, your work may be chosen for display in the professionals' showcase at the Walt Disney World EPCOT Center. — Judging is by your state PP of A association. Contact them or a Kodak representative for complete rules and entry information. And good luck.

Certified Professional Photographers Awards

The Certified Professional Photographers of Nebraska began a new award at this year's Heart of America convention. A Top Print Award will be given annually to the top print submitted by a non-master, & a master photographer in any category. These 2 awards will be chosen from a pool of CPP prints scoring 80 and above in a head to head competition.

Certified Professional Photographers of Nebraska

The Certified Professional Photographers of Nebraska have grown since it's beginning in 1979. I would like to recognize the people who helped Certification become a recognized name. Steve Harvey served as Nebraska's first Chairman. With Steve was LaVern Fuller, R. L. Bob Hansen, John Cerealo, Chuck Smith, and Dane Thompson. The first meeting was held on March 19th, 1979 in Grand Island.

It is now 1991. We have 25 C.P.P.'s with 2 more that are submitting prints at this point in time. We had 27 listed active at this point last year.

There are many reasons to become certified, the creativity that is shared with other C.P.P.'s is what makes this one of the many reasons to become a Certified if your not already. To become certified, a person must 1) be an active professional and a member of P.P.A. and the state affiliate association prior to receiving CPP status. 2) Must be available for consumer assignment during a normal week, based on a system of first come first served. 3) Must have been in the business of photography for 2 years

immediately preceding application, OR, have been employed for one year preceding application and have satisfactorily earned 60 college, university, or school of photography semester hour credits or equivalent. 4) Provide four references who reply favorably. 5) Pass the print judging, based on the percentages of business wedding portrait, commercial, etc. Prints must receive a 70 or above. P.P. of A. bilaws states that any NEW member, after 1-89, MUST become certified before receiving any P.P. of A. Degrees.

I recently spoke with Lillian Zolen, Certification Secretary at National. She said there will be some changes to occur in certification this year. Certification has grown by leaps and bounds! I will keep you all informed.

We are beginning to feature one of Nebraska C.P.P. each newsletter. Usually involving a photograph they have created and how it was made technically.

In the future we plan to have more C.P.P. sponsored programs available in conjunction with State programs as well as on our own.

On behalf of all C.P.P.'s, I would like to express our gratitude to President Billings, and the entire P.P. of N. board for their support & commitment to the Certification program in Nebraska. We are very proud to achieve the standards they expect.

The Certified Photographers that belong to this state are the most talented anywhere. When you meet one of them ask them what certification has done for them.

National Award Recipient

...Who would of thought.

It started out that I just wanted to become involved about 16-17 years ago and now it culminates with the National Award from Nebraska... who would have thought. Along the way I have met so many people who have affected my life and career that it would be impossible to list them. Many are from other States but most are just my fellow photographers from Nebraska.

As a young beginner I saw the success that others were having and doing things with a camera that I didn't think were possible so I decided the only way to find those things out was to become involved. Funny thing along the way I met all those successful photographers and I learned and I discovered that by giving you can also receive. So I gave of myself, my time, and what little talent I had to my profession and to my association and to my fellow photographers in my State, and along the way I became a better photographer, a better

businessman, and I hope God willing a better person. Now the National Award... who would have thought.

Thanking you all just doesn't seem like enough but from the bottom of my heart I do thank each and everyone of you. I appreciate your support and this award more than I can put into words. The National Award... who would have thought.

Regards,

Richard M. Evans M. Photog. ASP FPH

This year as artist/sales representative was a memorable one. Shirley Chance did a wonderful job at summer seminar and the 5 x 7 retouching wet pencil was something new and exciting.

H.O.A. had five artists that entered, 3 of these were novice. Linda Schick, Bev Wiese and Tammy Linner were the novice. Keith Howe and Jenny Elrod were the other entrants.

There were 3 Restorations, 2 Free Styles, 15 Color Print Enhancements, there were no Negative entrants from Nebraska.

Tammy Linner received a 1st place ribbon for Restoration in Novice. Linda Schrick won 1st place ribbon for Free Style in Novice. Bev Wiese won 1st place ribbon for print enhancement in Novice.

Our summer seminar also was a new experience with family portraits and Donella Penrod's program on restoration. Many thanks to Rick Billings, and the officers and board of directors, and Chris Goc's help at H.O.A.

As most of you know I have resigned as artist/sales representative and have an excellent replacement of Chris Goc. Please continue with your programs and support of the artist/sales for future programs.

Sincerely,
Sandi Abbott, Artist Rep.

The Fellowship Program

Patty Dingwell - Chairman

Another year has passed, and it's time to total and list member fellowship credits. Active and associate members have earned the following credits by entering print competitions, either as a photographer or an artist, and receiving scores of 80 or above; or by donating their time and efforts to the various crews and committees that make our association run so smoothly. A maximum of 10 service credits and 8 print credits may be earned in a one-year period and are accumulated to reach the level of each of the following degrees. Our fellowship program is a wonderful opportunity to achieve recognition for your efforts, and I strongly encourage each and every one of you to strive for your goals.

Service Degree (S.D. Ph.)

Designated by a white ribbon with a copper medallion and is earned by accumulating 35 service credits.

Associate Fellow of Photography (A.F. Ph.)

Designated by a red ribbon with a silver medallion awarded to those who have earned 15 service credits and 10 print credits.

Fellow of Photography (F. Ph.)

Designated by a blue ribbon with a gold medallion which is earned by an additional 15 service credits and 10 print credits.

Diamond Fellow of Photography (D.F. Ph.)

Designated by a burgandy ribbon with a gold diamond-shaped medallion with a diamond placed in the state by the city where the recipient lives. For this degree you must earn 80 service credits and 35 print credits.

Honorary Fellow of Photography (Hon. F. Ph.)

Designated by a purple ribbon with a gold medallion bestowed upon members of the Association or other persons meriting such honors as approved by the Board of Directors.

From the Ethics Committee

Jim Clark, S.D. Ph., Chairman

Due to the excellent quality of work, good service and customer relation of P.P. of N. photographers, there have been very few concerns.

As stated in previous years, most of the concerns have been about those non members of PPN and mainly about wedding photographers just learning the trade.

The ethics committee is here to help you and your clientel resolve concerns, the committee list below is available for your needs.

The Professional Photographers of Nebraska, Inc. Code of Ethics

I, having been accepted into membership in the Professional Photographers of Nebraska, Inc., do hereby subscribe without reservation to this Code of Ethics, and do solemnly agree that:

1. I will strive at all times to upgrade and improve my knowledge and skill in professional photography marketing and related areas.
2. In all dealings with users of photography and the general public, I will strive to present all photography and photographic services in surroundings and in a manner that reflects the highest level of professionalism.
3. I will deal with all users of photography and with the public with honesty and integrity.
4. I will not use any marketing or competitive practice which violates any Federal Trade Commission or other Federal or State regulatory agency or regulation, and Federal or State statute or any decision of any Federal or State Court.
5. I will strive at all times to produce photography and photographic services in accordance with the highest levels of professionalism.
6. In all dealings with fellow photographers, students and others who aspire to be professional photographers, I will gladly share the knowledge and skill in professional photography that I possess.
7. I will support the efforts for and assist in the education of all interested persons and the general public in the art and science of professional photography.
8. I will advertise and sell the merits of my services and products and refrain from degrading competitors.
9. I will reveal all the material facts and avoid concealment of information and refrain from using innuendos in advertising and selling that might cause consumers to be misled so that the truth about services or products may be fully understood.
10. I will advertise only bonafide prices and products and refrain from the use of "bait" advertising methods.
11. I will fulfill all contractual obligations, offer a reasonable warranty of products and services and perform on such warranty, either written or implied, where justifiable claims are in order, and to do this without hesitation.
12. I will keep confidential all classified or personal information obtained in the course of a professional assignment except with the consent of the client.

In addition, when photographing a wedding, I do solemnly agree that: I will make every effort to provide each couple with a photographic record of their wedding that exemplifies the best of my artistic abilities; I will be prompt in meeting all schedules on the wedding day; I will use only high quality, dependable equipment, film and accessories which are in good working order and carry spare equipment for use in emergencies; I will conduct myself in accordance with the customs and doctrines of each particular House of Worship and conform to prevailing regulations regarding the taking of photographs; I will attend each wedding dressed appropriately for the occasion, photographing in a dignified, unobtrusive manner, in keeping with the dignity of the occasion and in harmony with the environment; and I will build a rapport with my clients to make the photographic experience as meaningful as possible.

From the Historian

Pat Houska

Being Historian has been an interesting position. As I was going through the many scrapbooks and memorabilia, I was amazed to see many photographers and their wives in their younger years. The bouffant hairstyles and the many colors of the "Leisure" suits (including Denny's orange one!) are also very enlightening.

The books will be on display once again at the '92 State Convention. Please, take the time to view them and relive a little of the history of P.P. of N.

These books show the foundation that many past presidents and members have worked so very hard at making P.P. of N. what it is today.

CONTROLLED GROWTH

Another Miller's Commitment to Quality

Why do we limit the number of new customers each year? It's simple. We won't take on more than we can handle. A Miller's customer is a professional photographer who expects timely delivery of quality prints. That's important to us. And that's why for years we've controlled our growth and will continue to do so. We simply don't wish to compromise our ability to meet the needs of the people who trust us with their work. Our commitment is to our customer.

How do you become a Miller's customer? Simply request an application by calling or writing us anytime throughout the year. We determine the number of new customers we will add to our rolls by the end of January. You'll enjoy working with a lab that cares about you.
