

A photograph of a man with grey hair and glasses, wearing a dark blue polo shirt and blue jeans, standing on a grassy hillside. He is carrying a large blue backpack and holding a trekking pole. The background shows a landscape of rolling hills and trees under a clear blue sky. A pine branch hangs from the top left corner.

President's Message

Some of the things that I have learned in the last four years since I began backpacking is the need for detailed preplanning, adequate and appropriate supplies, and detailed accurate maps of where you are going. Now, understand that there are always unexpected circumstances, blocked trails, clogged water filters or inclement weather to deal with, but if you have planned, trained, and have back ups, you can get safely to the end of your trail....alive.

Whether you apply these same principals to your personal life, your business, or to our professional organization, the basics are the same. Always have a back up plan and back up equipment,

always plan very carefully and completely exactly what you wish to accomplish, be open to the alternatives, and don't be afraid to switch to a better plan when necessary.

Your PPN board of directors understands this concept. We are constantly looking years ahead to decide the direction in which the organization needs to go. They have the maps, they have the equipment needed to survive, they have been in contact with other experts to know just where the traditional information is outdated. Just like the leader of a hike, the board is constantly watching the trail, evaluating the needs and capabilities of the members, looking out for the safety of the entire organization, and making sure that we all accomplish the ultimate goal with the least injuries.

It is a thrilling experience. Yes, there is a lot of work, a lot of people second-guessing every decision, and a lot of time. But as I get to the end of my time on the "trail" I know that every decision that the board has made has been for the good of the organization. That we have made a difference in raising the standard of professional photography in Nebraska, that we have made success easier for the newcomers to the industry, and helped our members have fun while doing it.

Now as we all go out on our own new trails and challenges, may we continue to help each other along the trek, may we never tire of the new experiences that we encounter, and may we treat the trail and the ones we meet along the way with respect and dignity.

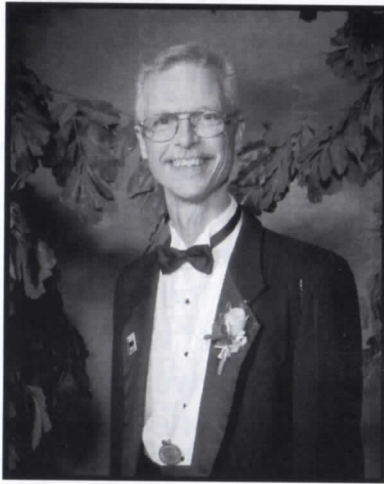

Keep Smilin'

The Alvin Duis Memorial Award is given to the highest scoring photographer of the year, Master or Non-Master from Nebraska. Duis was a band teacher from Kimball, who became interested in photography and decided to pursue it as a career. He operated a studio in Sidney, Nebraska, along with his wife, who became his retoucher and finisher. Alvin was very active in PPN. He was a board member in the fifties and worked hard during all his active years helping wherever he was needed. He was the first Master in the State of Nebraska. Duis served as Secretary for the prestigious Camera Craftsman of America, one of only 40 members. He taught at Winona for three years. He printed all his own work, loving the control he could have over the b&w image. Alvin Duis died in 1967, after having been of real service to this profession and PPN.

Long before PPN was formally chartered, Virgil Pitstick, of Nebraska City, was living one of the purposes of the organization by helping young photographers get started in the business. He held meetings and demonstrations in his studio, just because he enjoyed helping people enjoy what he loved so much, photography. Because of this desire to see new people succeed and excel, the Virgil Pitstick Award is given to the Novice of the year based on total print score of a photographer in his first or second year of competition and who has been in the business of photography for less than five years.

ED ARNOLD AWARD
Best Portrait of Show

Tina Marie Crnic

"Tuesday's Child"

Ed Arnold touched many lives in his career of photography, a profession that he participated in throughout his life. From his beginnings in his father's studio, Arnold Studio, he rose to own and operate that business before selling it to help build a lab business here. He served as the President of PPN, and received the National Award in 1969. In addition, he received a Honorary Fellow of Photography and was active in several civic organizations as well. Because of his willingness to share his wealth of knowledge in his quick witted style, the Tony Witchers Award was renamed in 1990 and is presented to the best portrait of the show.

The complexion of our association has traditionally been mostly portrait photography. Even today, most of us have our roots in portraiture and there is a constant danger of overlooking talent in other areas of photography. We all know that our craft requires us to be very versatile, and to apply what we know to a variety of subjects, not just portraiture. For this reason the President's Award, honoring outstanding achievement in a non-portrait photograph, is a very special tribute.

**2004 National Award Presented To
Pat and Denny Houska
By The Professional Photographers Of America**

Receiving the National award was a very wonderful honor. A great big "thank you" to the PPN Board, the wonderful members, and all of our friends in professional photography.

We feel so fortunate to work in an industry that allows us to make such wonderful photography friends, serve and become friends with our clients, and earn a good living. As Betty June once said "Photography is seeing and making people beautiful inside and out." What better profession could there be?

This marks our 30th Year in the photography business, 30 years of wedded bliss, and 30 years as PPN members. Little did we know as we came to Kearney on January 2, 1974 with a Volkswagen full of "stuff," \$80 in our pockets, and some big dreams that we would still be here 30 years later.

Add an extreme studio makeover, Denny's heart artery blockage, and receiving the National Award, and this has been an exciting past year for us.

We owe a great deal of gratitude to our parents for a solid foundation, many, many PPN members helping us over the years, and to the past and present employees we've had over the 30 years for their expertise and caring attitude that make work fun.

A special thank you to the board, Betty June and Cliff, Keith and Holly, our son Matt, and daughter Nikki in arranging our family to be at the presentation, especially the loves of our life, grandsons Xavier and Oliver.

Sincerely,
Denny and Pat Houska

There were 161 council members attending PPA's conference in Las Vegas representing their respective states and countries.

Recent changes have been made to the PPA National Convention. The most noticeable change is the date, a move to January. Another change is the shorter three day conventions designed to reducing the cost of attendance.

The PPA continues to be very strong and always working to become member and consumer driven. PPA has had a considerable presence in Washington DC lobbying for group health plans and photographers copyrights.

In addition to indemnification, other new member benefits including studio management services. This new division has been designed to make studios more profitable, aid in tax preparations and product development.

PPA continues to strengthen and grow. Membership is up 6% and PPA is currently in its best financial status ever.

If you are not a member of the PPA please consider doing so. PPA is committed to it's members.

Good luck and congratulations to Rami Manhas and Keith Howe our new councilmen.

Scholarships Available Through PPN

by Steve Miller, Scholarship Chairman

For a number of years, Professional Photographers of Nebraska Inc. have provided an opportunity for their members to further their photographic career by applying "in writing" to the scholarship application form published in our "News and Views" publication each year.

The PPN Scholarship in the amount of \$500.00 is set aside to be used for any Professional Photographers of America sponsored school. This years, PPN scholarship was judged by your President, Scholarship Chairman, one print judge, and two current members in good standing.

The PPN scholarship was awarded to **Brandon Draper** of Scottsbluff, NE to be used at Mid America Institute of Professional Photography this year.

With our generous and committed vendors and schools, this year we added several additional scholarships in the momentary amounts. Attending members at our luncheon on Tuesday drew from registration tickets from a box with forms placed at our registration desk. Qualification: Be present at drawing to have a chance to win. Our convention chairman, Monte Evans, read these recipients' names.

Recipient	Amount	Donator
Jeff Funk	\$100	Millers Lab
Kristi Baer	\$200	MAIPP School
Dennis Houska	\$100	Millers Lab
Brad Cooper	\$100	MAIPP School
Rick Paben	\$100	American Color Lab
Steve Miller	\$100	Kansas School of Professional Photography
Lisa Janitscheck	\$100	Kansas School of Professional Photography

Alternates for the above in the event they could not attend: Katie Arndt, Jason Deyo and Chris Paben.

Additionally, with the foresight to continue education from within our association, Jim and Sylvia Frieze have established a fund to have a recipient learn from with the state association. The process is to apply "in writing" on the same PPN Scholarship application form, reasons you feel you might qualify, and which in state mentor you would like to study with. This amount of \$200.00 goes to cover the expenses incurred to study under an approved list of photographers that wish to teach. This year's recipient of the "Jim and Sylvia Frieze Learning Experience" is **Tor Olson** of McCook, NE

Entering to receive a scholarship is not only for the new members, yet something any members of any experience level or age can benefit from. Our Jim and Sylvia Learning Experience is another way to further by a day or two study with a photographer from our approved mentor list, along with our sister state of Iowa hosting the MAIPP school, what better way to stay next to home, and increase your level of photography and business experience.

Ethics Committee 2003-04

The PPN Ethics Committee was created to mediate consumer complaints against both member and non-member professional photographers. We also field inquires and complaints regarding unethical or unprofessional business practices by any Nebraska photographer.

During the last several years, the need for your PPN Ethics Committee has been almost non-existent. Thanks to Nebraska photographers conducting their business professionally, there have been very few inquiries or complaints filed in recent years.

If you or someone you come into contact with has a complaint against any photographer, refer the complaint directly to the Ethics Committee Chairman. Although we do field several telephone calls during the year, according to our bylaws, all complaints must be in writing before our committee can proceed. When we do receive a telephone inquiry, we will then instruct the caller as to our procedures and what they can or can not expect to happen. Never take sides or try to render an opinion on your own.

Furthermore, always display your signed and framed copy of the Code of Ethics in your studio. Having your code on display may invite questions from clients and could differentiate you from your competition.
